

# HIK120E + Z25DV75

# HIK120LE + Z25DV75

**Professional bracket for mounting HIKVISION, TVT, Dahua cameras (or other brands) onto a tube or pole in both vertical and horizontal position**

**HIK120LE + Z25DV75**

**Z25DV75**

**HIK120LE + Z25DV75  
+ DS-1280ZJ-DM18**

**bracket plate HIK120E**

**Z85DV85**

**HIK120E + Z25DV75  
+ DS-1260-ZJ**

## technical parameters

material	AlMg3 thickness 3 mm
bracket ( Fe galvanic zinc )	Z25DV75
weight	0,52kg
dimensions HIK120E	120x238x3mm
dimensions HIK120LE	120x115x130x3mm
openings	4x oval 20x9, 4xØ3,5mm
installation	tube from Ø 27 up to Ø 62mm

**UH85**

**use:** the bracket has integrated mounting holes for sockets DS-1260ZJ, DS-1280ZJ-DM18, DS-1280ZJ-PT3J (Hikvision)

**note :** HIK120E (LE) + Z25DV75 can also be used for other mounting bases (cameras), the preparation of the necessary mounting holes (Ø3.5mm) is not difficult as the HIK120E (LE) plate is made of aluminum alloy (AlMg3)

Oval holes allow the use of other mounts in addition to the Z25DV75, e.g. Z85DV85, for jackel mounting it is possible to use UH85

**supplied accessories:** 4 pcs of self-tapping screws DIN7516 M4x12
